## 20th ANNIVERSARY EDITION MUSTANG

This model of the special limited edition anniversary Mustang is offered on one of Ford's hottest current performers, the Mustang V-8 GT with optional turbo 4 engine. Molded in white, model features original Mustang ornamentation, dark red racing stripes including GT-350 nomenclature, unique white bumpers with dark red stripe and a narrow dark red body sidemolding. Interior is fully detailed.

1-0768

Murderous engines roar! Glass splinters! Metal screams in agony! Row after row of helpless cars are remorselessly pounded into scrap! Who causes this carnage? It's the Monster Trucks, gleaming bully boys with maniacally oversized tires and powerful blown engines, greedy for nitro and action.

They dominate the truck pulls with their outrageous antics. Join the fun with these frighteningly accurate scale models from MPC, fully detailed to capture the brawn, the swagger and maybe some of the meanness. We always knew we might go too far some day. Maybe this is it.

## MONSTER DODGE PICKUP

1-0451
